# FOREWORD

The 1950 BUCCANEER is presented to you by its editor and staff with the hope that as the years pass it will become more cherished by all. It has been our purpose to give in pictures and words a complete story of campus life: our classes—our fun—our friends—our teachers—our organizations—our joys—our accomplishments.

1950 has been an outstanding year at State College. We were greeted by a new president; the student body has been the largest in history; new buildings were begun and old ones improved. It is our desire that this 1950 yearbook be received with your same enthusiasm.

PART ONE

#### Mr. Burgin E. Dossett President

A friendly man, with a sincere interest in public education; a scholar, yet with the common touch, which endears him to all; the possessor of a personality that could be desired by any student; are all phrases that might be used to describe our new President.

Mr. Dossett is a graduate of the University of Tennessee and of Harvard University, a veteran of World War I and a former state commander of the American Legion. He has served as a teacher, principal, superintendent and as State Commissioner of Education. We know that we are most fortunate to have a leader, who is so capable.

# EXTENDED BY OUR PRESIDENT,

## APPRECIATION FOR VALUABLE HELP

Dr. Philip Wade Alexander Dean

A gentleman, a scholar and a friend to all students—what more need be said in praise of our busy and harrassed Dean Alexander.

Miss Ella V. Ross Dean of Women

A woman of charm, poise, scholarship, executive ability, firmness and understanding of all student problems is our Dean of Women, Miss Ella Ross.

Dr. Charles C. Sherrod

#### OUR INSTRUCTORS

East Tennessee State College was established by the act of the General Assembly in 1909. As an institution of higher learning, it recognizes two fundamental responsibilities in its service to the State. The first responsibility is that of preparing teachers for the public schools of the State; the second is that of giving general, pre-professional, and vocational education on a college level to those students who do not wish to enter teaching.

East Tennessee State College is located on onehundred seventy-seven acres of land at the foot of the high mountains of the Appalachian system. The campus is so located that it offers opportunity for artistic landscape gardening, and it has a woodland which is being developed into an arboretum. There are many modern and well equipped classrooms and dormitories to meet the needs of the students.

East Tennessee State College has high standards, and it is accredited by the American Association of Colleges for Teacher Education and by the Southern Association of Colleges and Secondary Schools.

# PI KAPPA DELTA

Pi Kappa Delta is a national honorary fraternity of public speakers. This extremely active group is called upon to represent our school at major events in contest speaking. The East Tennessee chapter (Gamma) was organized in 1948, and still has two charter members within its ranks.

The officers of the organization are: President, Hal Young-blood; Vice-President, Bill Mullins; Secretary, Frances Epperson, Louise Earl; Sponsor, Mr. George Dove.

# KAPPA DELTA PI

One of the most stimulating organizations on the campus is Kappa Delta Pi, a fraternity of educators and future educators. Persons in this organization have been honored through scholastic achievement. Its officers are: President, Louise Bryan; Vice-Presi-

dent, Marie Dixon; Secretary, Dorothy Campbell; Treasurer, June Hamilton; Historian-Reporter, Barbara Diehl; and Sponsor, Mr. Davis. Other members are: Elizabeth Dolen, Mary Jayne Flora, Ann Noe, Jo Ann Stubblefield, and Mary Walker.

# INTERFRATERNITY COUNCIL

Interfraternity Council was organized on the East Tennessee State College campus in 1948. Its purpose is to supervise fraternity activities and promote cooperation between the organizations for the best

interests of the school and students. Membership in this organization is made up of the Presidents of the various fraternities and one representative from each fraternity.

## PAN HELLENIC LEAGUE

The Pan-Hellenic Council is the governing body of the sororities and is composed of three representatives from each sorority. The council elects their officers for the year and meet on call with the Dean of Women. The annual formal Christmas Dance for the student body is sponsored by the council. A campus-wide Manners Clinic proved to be a big

success this year. Sorority initiation is under the guidance of the Council and a week of hilarious entertainment takes place. Pan-Hellenic often combines pleasure with business by having a Dutch Supper and meeting down town. Through these meetings the four sororities work together for a better social life on our campus.

# CENTRAL RELIGIOUS

The Central Religious Council plans and directs all religious activities concerning the Student Body. This Council is composed of the Presidents and two representatives from each of the religious organizations on the campus.

The Council's largest activity is Religious Emphasis Week, held the first week in October. Our guest speaker this year was Reverend Palmer Young from the First Christian Church of Kingsport, Tennessee. Reverend Young conducted services in assembly, seminars, noon-day devotionals and dormitory bull

sessions

Thus we have continued throughout the past year, leaving in our wake many duties performed and treasured memories gained. We look onward and upward with God as our guide, striving to fulfill our purpose in our everyday life.

The Central Religious Council officers are: President Helen Yates; Vice-President, Martha Blackburn; Secretary, Laura Janes; and Treasurer, Sara Agnes

Williams.

# CHRISTIAN WORKERS FELLOWSHIP

The Christian Workers Fellowship consists of those students who are interested in Christian vocations. They wish to create within the student body a better Christian fellowship.

Among their many activities are conducting devotionals, supervising club work, forming choirs, planning socials and other church work. These activities help the students in preparing for their life work, whether it be in the foreign or home mission field.

The officers of the Christian Workers Fellowship are: President, James Walters; Vice-President, Martha Blackburn; Secretary, Helen Yates; and Treasurer, Lavetta Carpenter.

Seated, left to right: Nancy Skeene, Sterling Turner, Martha Blackburn, Louise LeNoir, Lavetta Carpenter. Standing: Damon Mitchell, G. W. Arnold, George Blackburn and James Walters.

Stephens, Arlis Stephens, George Blackburn, Mrs. Womack, Helen Yates, Thelma Hughes.

## MIRACLE BOOK CLUB

The Miracle Book Club, an organization of interdenominations, serves as the melting pot for all religious beliefs and differences.

The purpose of this club is to promote Bible study and create within the religious organizations a better understanding of each other. A different pastor from the local churches is the guest speaker every Tuesday night. His topic may vary from Paul's Journeys to The Creation Story. Christian Fellowship is promoted by the annual spring outing.

The Miracle Book Club officers are as follows: President, Sarah Agnes Williams; Vice-President, George Blackburn; Secretary-Treasurer, Helen Yates; Reporter, Pauline Martin.

# WESTMINISTER FELLOWSHIP

The Westminister Fellowship is an organization of all Presbyterians on the campus. Its purpose is to strengthen and to sustain Christian students in their faith and to present an opportunity for Presbyterians to cultivate friendship and social life on a Christian level. This work of combining a student's spiritual life with his everyday campus activities is done through three basic channels:

Worship—by attending church regularly; Service—by helping other organizations with their work; Fellowship—by attending socials.

# WESLEY FOUNDATION

Prayer, participation and purpose highlighted the activities planned by Wesley Foundation.

Prayer, felt by all Methodist students, is one of the needs of a faithful religious organization.

Participation was fulfilled when Jack read "The Hall of Heroes" for the regular Wednesday night meeting and Jane accepted the responsibility of planning the annual Sweetheart Banquet.

The purpose of Wesley Foundation is to provide for the spiritual, moral and social needs of students and to strengthen its members in Christian living and ideals.

# BAPTIST STUDENT UNION

Faith, friendship and fun are the characteristics which help make the Baptist Student Union active.

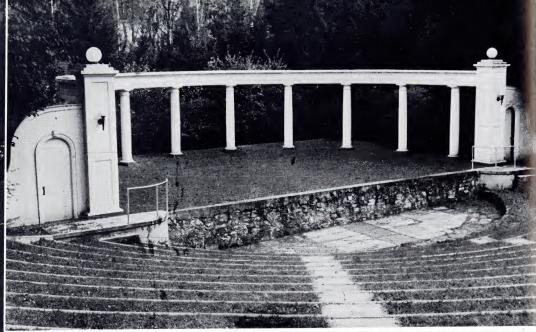

Faith is the spirit which prevails when the students gather for their Wednesday night meetings. Whether it be the dramatic presentation of "The Well Is Deep" or a panel discussion on "The Baptist Student," there

is felt within this group the common bond of unity.

Friendship is seen in a friendly "hello" or in the "Baptist Buc." Fun is had by all who attend the B. S. U. socials. The people mainly responsible for this faith, fun and friendship are the B. S. U. officers. They plan meetings and recreational activities.

# COOPER HALL

Cooper Hall is a residence hall for upper class girls, housing about fifty people. In 1944 Governor Prentice Cooper, acting for the State, purchased for the college the George L. Carter residence and approximately twenty acres of land adjoining the campus. The palatial residence has been an attraction to visitors since its erection several years ago.

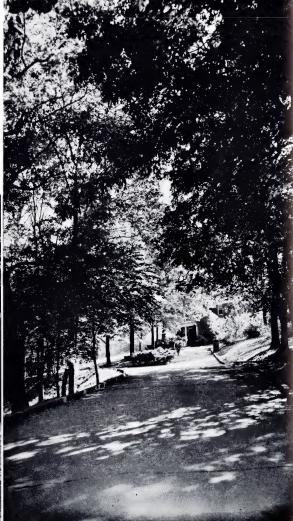

This amphitheater is on the campus in front of Carter Hall. It is used principally as an outdoor theater, especially for the enactment of classical plays.

# ADMINISTRATION BUILDING

In the Administration Building are the offices of the President, Dean, Registrar, Business Manager and the Dean of Women; the post office and bookstore; recitation rooms and the auditorium.

The President's home will soon include a recreation room in the basement for the use of all the students.

#### SCIENCE BUILDING

The new Science Building houses the Departments of Biology, Chemistry, Physics, Home Economics, Health and Geography. Completed in 1948, the building arrangement and equipment is superb.

#### A HIGHIGHT OF THE YEAR

One of the highlights of the year on the State campus occurred during the week of the State-Milligan football game. Pictured here is one of the victims who is paying the price for being captured by having his head shaved. Furthermore this victim was entertained rather strenuously in Carter Hall. It was all in fun but a most attractive feature of school life during the year.

# A Rage To Live

#### LATEST EDITION

The first student newspaper was published at East Tennessee State College the same year the school was founded, 1911, and was called THE TENNESSEE TEACHER. Since that time it has been known as THE BLUE AND GOLD, THE NORMAL NEWS, THE CHALKLINE, and since 1940, THE COLLEGIAN.

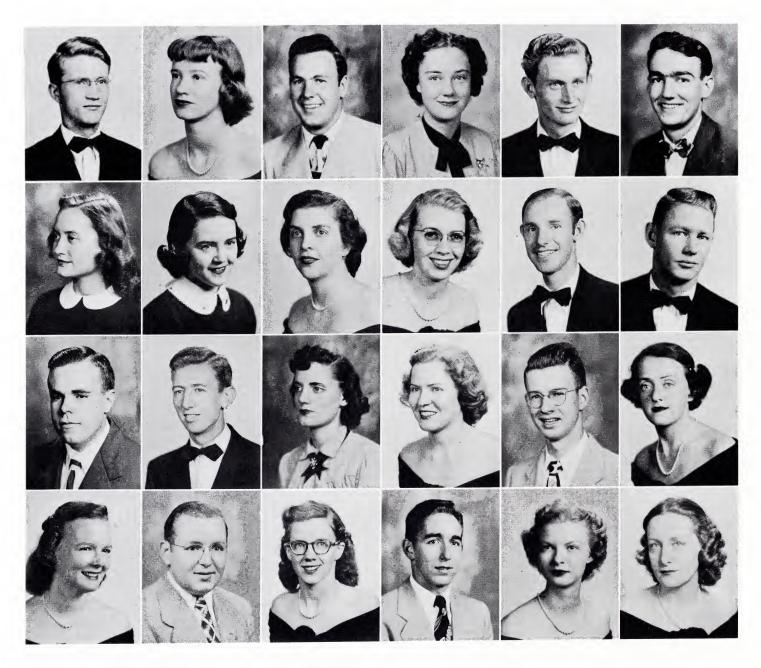

THE COLLEGIAN is published bi-monthly by an all-student staff working with a faculty consultant and financed by the Student Activity Fund. Editor and Business Manager are elected by the staff. The 1949-50 COLLEGIAN was under the supervision of Louise Bryan, Editor; Noah Johnson, Business Manager; Audrey Houchens, Associate Editor; Louise Gilbreath, Associate Business Manager, and Solon Gentry, Faculty Advisor.

#### INTERNATIONAL RELATIONS CLUB

The International Relations Club is composed of students who have been honored by membership through scholastic achievement and a sensitivity to the world in which they live. Realizing ours to be a complex and often inconsistent family of nations, this group aspires to a closer understanding of the various nations—their customs, races, philosphies, languages

and economies. These they correlate to the policies and political temperments of an ever-changing international scene.

Its officers are: Bobbie Ruth Hodges, President; Ruth Yoakley, Vice-President; Noah Johnson, Secretary; Mary Jane Flora, Treasurer; Helen Lyle, Program Chairman; and Professor Sawyer, Sponsor.

## ETSC BAND

The State College Band had a busy year. The marching band presented half time shows for all home football games, and for games at Bristol and Maryville. In addition, pep meetings, parades, and a chapel concert hightlighted the autumn season.

Winter weather and concert season are synonymous to most bands. Ours was no exception as Von Flowtow, Grieg, Gould, Ellington, Grainger, Tchaikowsky, and the old march masters received a thorough going-over in sectional drills and full band sessions. This prepared us to play concerts for high schools in this area during the spring quarter. The six instrumental quartettes from the band presented numerous programs for clubs and schools throughout the year.

Material progress such as new quarters, equipment and uniforms added glitter to the 1950 Band.

#### GLEE CLUB

The East Tennessee State College Glee Club consists of approximately 150 students, and although it is a one hour credit course, it functions as an organization. Officers for the club consist of President, Martha Blackburn; Vice-President, Noah Johnson; Secretary, H. A. Irish; and Librarians, Bill Vines and Jack Morris.

The Glee Club participates in many programs throughout the year. During the fall quarter its pre-

sentation of the Christmas section of Handel's *The Messiah*, is something to look forward to from year to year. In the winter quarter the one big event is All-College Night; in the spring quarter attention turns to May Day events and an annual Sunday afternoon concert.

Under the direction of Mr. Virgil Self the Glee Club is organized primarily for the enjoyment and recreation of the singer.

#### QUARTETTE

One of the best known of musical groups on the campus is the College Male Quartet. This group has made more than one hundred public appearances since its organization in the fall of 1948. Don Shetler is first tenor, Harry Conner, second tenor; Dorman Stout, baritone, and H. A. Irish, bass. Virgil Self is director and accompanist.

#### CHOIR

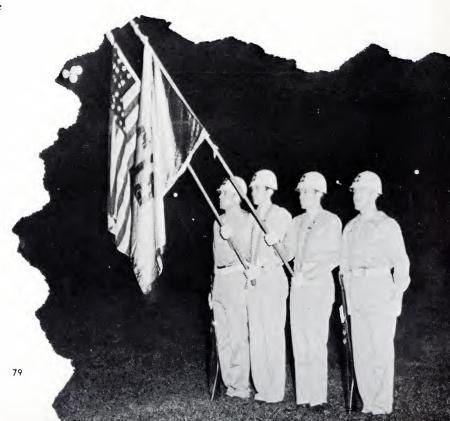

The E.T.S.C. choir is an organization functioning under its own constitution. Its officers consist of President, Jewell Tilson; Vice-President, Carolyn Trivett; Secretary, Anita Roddy; Reporter, Marjorie Williams; and Director, Mr. Virgil Self.

During the scholastic year the choir has participated in various events, such as, All-College Night, Assembly programs, and Sunday afternoon concerts along with the college Glee Club. In addition, the

choir presents for its major events the Requiem by Gabriel Faure, and for May Day events, a folk opera, Down in the Valley by Kurt Wells. During the spring quarter the choir makes trips to the neighboring high schools to present Assembly programs.

Membership in the organization is strictly by invitation and for this reason it is quite an honor to be one of the few selected.

THE COLOR GUARD George Blackburn, Otis Blanken, Bill McConnell, Ed Hyder.

#### FOOTLIGHT PLAYERS

The Footlight Players is an organization for students who are interested in dramatics. This club, then called The Thealian Society, was organized in 1941 for the purpose of creating an appreciation of dramatics and developing the dramatic abilities of all members.

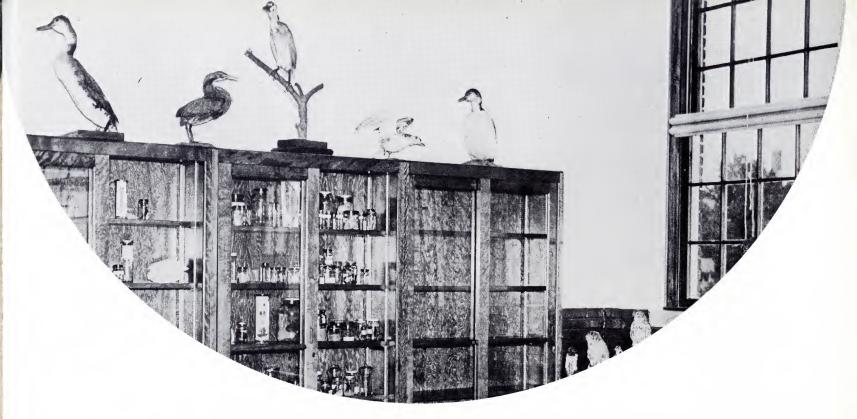

The first play presented by the group was "The Solution" and since that time the Footlight Players have presented at least two long plays and several one-act plays each year.

During the winter quarter of 1950 The Footlight Players gave us "Show-Off," with Mrs. Hunt Archer,

sponsor of the club, as director.

The officers for the year 1949-50 were: Sterling Turner, President; Louise Earl, Vice-President; Louise Gilbreath, Secretary; Bill Honeycutt, Business Manager; Louise Bryan, Reporter; and Mrs. Archer, Sponsor.

#### PHYSICAL SCIENCE SOCIETY

The Physical Science Society was organized the fall of 1949 to promote interest in science and fellowship among the physical science majors and minors. The Society has lectures by students and visitors and visits industries and plans various projects. The officers

for 1949-50 are: President, Robert Combs; Vice-President, Noah Johnson; Secretary, Ruth Yoakley; Treasurer, Frank Truman; and Reporter, Wayne Reynolds. The sponsor of the Society is Mr. Richard Wallace, instructor of physics.

Phi Eta Tau, a professional society for women majoring in physical education, was organized on the East Tennessee State College campus in 1948. Its

purpose is to further professional interest in the field of physical education by bringing the students into closer relationships with each other.

## THE BUCCANEERS

STATE 19 — TENNESSEE WESLEYAN 6

September 24

The Buccaneers opened their 1949 schedule with a 19-6 victory over Tennessee Wesleyan. Jack Vest, Paul Musselman, and Clyde Holsclaw provided the offensive thrusts in turning back the "Bulldogs." The "Bulldogs" mustered enough strength in the second half to push over their loan touchdown. The game ended in a decisive victory for the Bucs.

STATE 20 — ERSKINE 13

October 1

Gene Quarles stood out for the Bucs with his brilliant scoring plays and the way in which he seemed to stay one play ahead of the "Flying Fleet" of Erskine. Burleigh Davis showed the Fleet how to rack up yardage with his hard driving lineplanting

STATE 0 — WESTERN CAROLINA 14

October 8

The Bucs entertained the highly potent Catamounts of Western Carolina in their annual home-coming game before 8,000 fans, the largest home-coming crowd in the history of E.T.S.C. The Catamounts turned the Bucs back to the tune of 14-0 and only the superb play of the strong State forward wall, sparked by Hank Johnson and Kenneth Bryan, held the Catamounts in check.

STATE 19 — MARYVILLE 20

October 15

After the Scotties had completely dominated the first half by scoring 20 points, State came back in the second half with Vest filling the air with bullet-like passes, connecting for long gains. Williams and McCurry each caught Vest-tossed passes for T.D.'s. France skirted end for the third tally.

STATE 13 — CARSON NEWMAN 12

October 22

The Bucs broke back into the win column by handing the "Fighting Eagles" of C-N College a 13-12 defeat. Both of State's touchdowns came from passes, the first on a pass from

Vest to Co-Captain Howard Duncan. Gene Quarles, ably assisted by backs Johnny Puckett and Olin Clark, ran and passed the ball to the C-N 10 yard line where he passed to John Pansock for the final score for State. Rod Pope converted for the winning point.

STATE 0 — MIDDLE TENN, STATE 30

October 29

The Blue Raiders of Middle Tennessee State turned back the Bucs by a score of 30-0. The game was controlled throughout by the Raiders who played brilliant ball both on defense and offense.

STATE 7 — EMORY-HENRY 34

November 5

Emory took advantage of several injuries suffered by the Bucs in the first period and dominated the first half of the game by racking up 34 points. Bogging down somewhat on the ground, State took to the air for its lone score. Vest, who was again outstanding with his passing accuracy, was instrumental in the score. Olin Clark and John Puckett ran the ball up to Emory's 10 where Vest fired a quick pass to Pansock for the score. Rod Pope kicked the extra point.

STATE 19 — TUSCULUM 0

November 12

Passing of Vest and hard running of Davis was instrumental in the defeat of Tusculum. Davis scored the first T. D. while the other two scored from passes by Vest to Musselman and Miller. Others outstanding for State were Duncan and Tranbarger.

STATE 28 — MILLIGAN 0

November 19

The Bucs further diminished the supply of wild game in this area by slaughtering a her'd of not so wild Milligan Buffaloes at Memorial Stadium.

The scoring parade was led by Burleigh Davis, Paul Musselman, Jack France and Jack Vest. Rod Pope converted all four extra points for State.

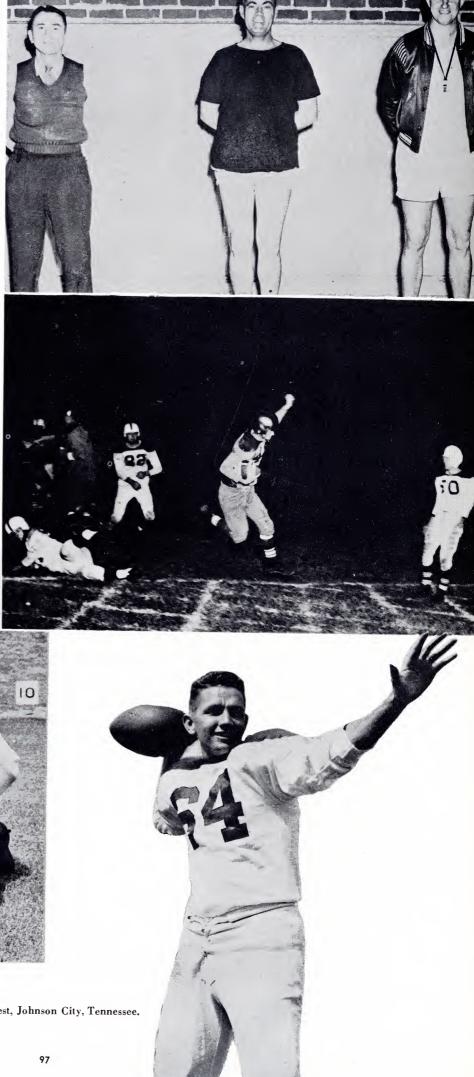

First row: Webb, Walker, Bradshaw, Quarles, Sutherland, Musselman, France, Vest, Clark, Lane, Baldasanto. Second row: Johnson, Arnold, McCurry, Maupin, Range, Moore, Wilson, Hester, James, Davis. Box-hockey—a very noisy game as well as a very active one, but Betty Minga and Betty Johnson don't seem to mind.

Volleyball—a popular and not so strenuous game. It is a great help to be on the winning team and earn those extra twenty-five points.

A double view of "Tootsie" Woods at ping pong.

Martha Morgan and Elizabeth Ann Roberts playing badminton, a game older than tennis and named for a town in England.

Emma Green and Frances Hartsell in a game of what we call plain old horseshoes. Did you know you sophisticates can call it "Barnyard Golf"?

All of us have had our tongue hanging out plenty in this game—Just look what a jump Mary Alice Rogers has made!

Pauline Norton and Connie Sutherland as they participate in the ageold activity of Robin Hood and William Tell. Archery does build that erect posture still.

The fact that speedball so closely resembles football must be one of the main reasons that we had so many girls participating this year. Nothing at State College depends so much on the weather and the seasons as the Intra-Mural program, but regardless of the elements there are always activitis for all. The sports offered are basketball, volleyball, tennis, ping pong, bowling, archery, horseshoes, hiking, softball, badminton, and speedball. Through participation in these activities the girls work toward the TS and Honor T sweater awards.

#### ODDS 'N ENDS

TOP: The Leadership Conference, held annually at the Optimist Camp, makes plans for the coming year.
CENTER: Gene Quarles, our versatile young man of sports. Skating, a favorite pastime at State.
BCTTOM: The winner of the Apple Bowl, due to the wisdom of years of experience, was naturally the faculty. Pictured taking time out are Stallard, Carter, Shetler, Sawyer, and Mooney. Their positions are unknown.

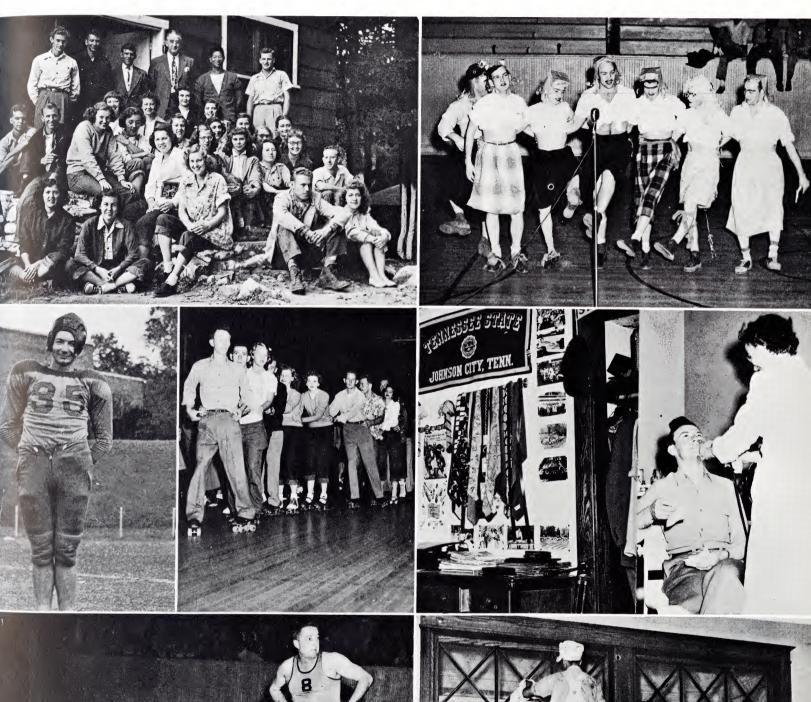

TOP: The winner of Stunt Night, namely Phi Beta Chi, gives us a rendition of "Take It Off." They are, left to right: Joe Blevins, Reece Teague, Earl Bolling, Gordon Brown, Charles Edwards, Frank Truman, and Wayne Reynolds.

CENTER: The atmosphere of State College is portrayed by this down scene.

this dorm scene.

Our nurse, Mrs. Clack, prepares Fred Nave for his classes.

BOTTOM: . . . this we remember.

to get the most from their college careers, as a recommendation to the business world, as a standard of measurement for students and as a means of recognition for outstanding work done. Juniors and Seniors are eligible for this recognition, which is one of the highest honors that our college gives.

## Hall of

GENE QUARLES-Best all-round boy

It is very unusual to find such a well-rounded individual as Gene Quarles, who possesses such qualities as scholastic ability, athletic participation and interest in social functions.

#### ELIZABETH SUSONG—Best personality girl

"Libby," the name by which Elizabeth Susong is known to most students, is our best personality girl. She possesses a lively and friendly temperament and contributes her mirth to the many organizations of which she is a member.

The President of the Student Body is also our most talented boy, a title well-deserved. His talents are in music, in the presentation of humorous readings, in administrative ability, and in leadership among religious groups.

## Jame

#### MARTHA BLACKBURN-Best all-round girl

Our best all-round girl is Martha Blackburn, whom we know by her friendly smile and gift of conversation. Martha, being a capable soloist, is fond of both vocal and instrumental music. Her ability to direct recreational activities has enabled her to do outstanding work with religious organizations and other campus groups.

#### REECE TEAGUE—Best personality boy

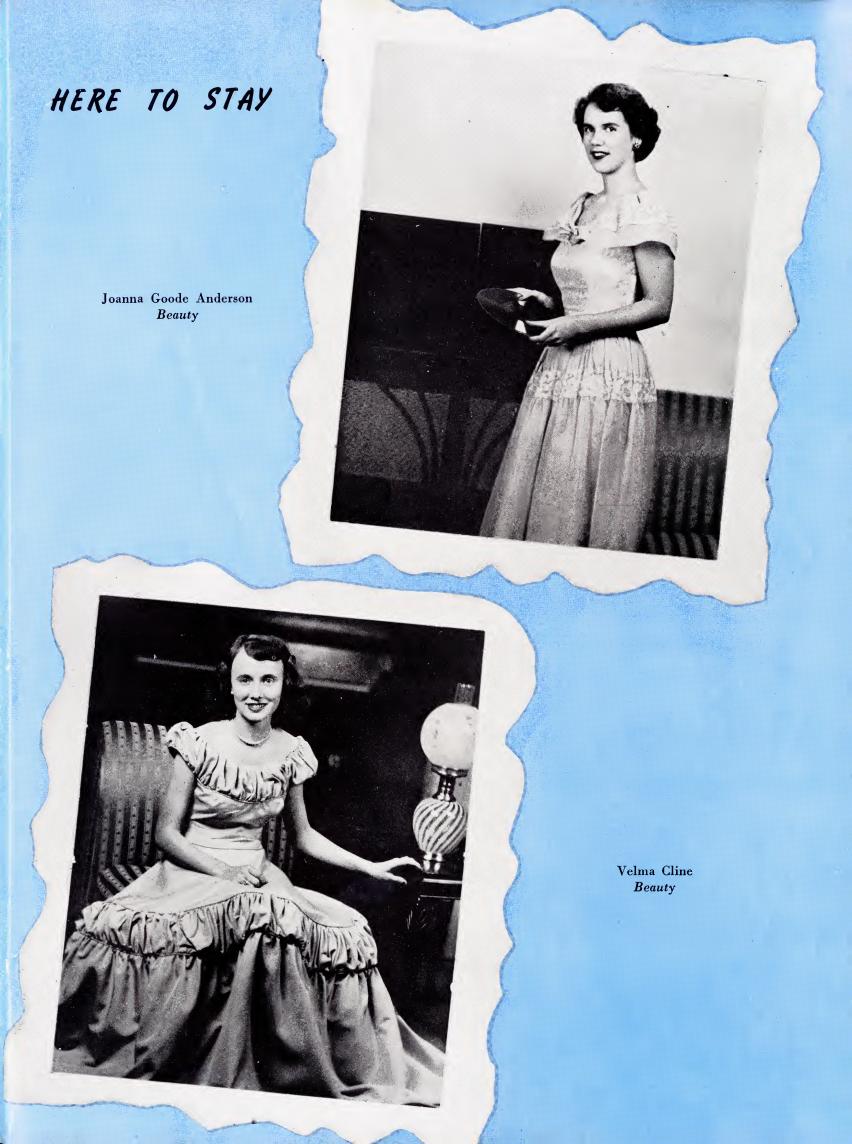

The best personality boy is none other than the happy, go-lucky and fun-loving Reece Teague. Even though he is happy and go-lucky, Reece finds time for active participation in various organizations on the campus.

#### CAROLYN TRIVETT-Most talented girl

The girl who contributes most often to the musical portion of the assembly programs and to other special college programs is Carolyn Trivett, chosen as the most talented girl. Carolyn is a skilled pianist and organist.

#### A Short Course in Success

Back in 1923 the twenties were just beginning to roar... folks were singing "Barney Google", "Ain't Goin' Rain No Mo", and "Yes, We Have No Bananas"... jazz music was the new sensation and a dance called the Charleston was sweeping the nation... the ladies were striving for a boyish figure and the Ziegfeld Girls were the toast of Broadway... over in Germany a scrawny little Nazi named Adolph Hitler was thrown in the clink for fomenting a beer-hall rebellion. It was quite a year.

That same year in Burlington, North Carolina, workmen were clearing a nearby cornfield to build a small textile mill. Some local businessmen were risking their money in a bedspread manufacturing venture. That was the beginning of Burlington Mills, a company destined to play a leading role in the rise of man-made yarn from obscurity to a place of major importance in textiles.

During the past 25 years Burlington Mills has grown from one small mill at Burlington into one of the world's largest producers of rayon fabrics. It now has 74 plants in six states and four foreign countries employing over 27,000 people. Teamwork between management and skilled, loyal employees made Burlington Mills a textile leader. Teamwork also produced the highest quality textile products at the lowest possible cost.

This successful formula was possible because American free enterprise permitted constant improvements in materials and machinery, development of our human resources, better methods of production, and an incentive for progress and growth. The formula brought better quality fabrics to the consumer. It brought better jobs, higher pay, increased benefits, and excellent working conditions to employees.

And so, 25 years after, Burlington Mills wears a badge of success. Its multitude of products are truly "Woven Into

the Life of America".
